TITLE 43—PUBLIC LANDS: INTERIOR

Subtitle A—Office of the Secretary of the Interior

[Circular 2320]

PART 25—USE OF THE "JOHNNY HORIZON" SYMBOL

On page 21207 of the Federal Register of November 4, 1971, there was published a notice and text of a proposed amendment to Subtitle A of Title 43, Code of Federal Regulations. The purpose of the amendment is to provide rules for the commercial manufacture, importation, reproduction, and use of the character "Johnny Horizon"—the official symbol for a public service antilitter and environmental cleanup program to maintain the beauty and utility of the Nation's public lands carried on by the Department of the Interior. It also provides guidelines for noncommercial use and for contributions of money and personal property to the "Johnny Horizon" program. These regulations are promulgated in accordance with the Act of September 25, 1970 (84 Stat. 870).

Interested persons were given until December 16, 1971, within which to submit comments, suggestions, or objections to the proposed amendment. Only one comment was received which suggested that the word "importation" be included in certain sections to prevent the importation of unauthorized "Johnny Horizon" items manufactured or reproduced outside of the United States. This suggested change has been made. A reference to State agencies as possible cooperators has also been added.

The proposed amendment is hereby adopted as changed, and is set forth below. This amendment shall become effective February 15, 1972.

HARRISON LOESCH,
Assistant Secretary of the Interior.

Feb. 4, 1972.

AUTHORITY: The provision of this Part 25 issued under the Act of September 25, 1970 (84 Stat. 870).

A new Part 25 is added to Subtitle A, Title 43 of the Code of Federal Regulations to read as follows:

§ 25.0–1 *Purpose.*

This subpart establishes rules for the commercial and noncommercial use of the "Johnny Horizon" symbol and name.

§ 25.0–2 *Objectives.*

The objectives of these regulations are (a) to maintain the integrity of the name and characterization of "Johnny Horizon"—the official symbol for a public service antilitter and environmental cleanup program to maintain the beauty and utility of the Nation's public lands, (b) to authorize the noncommercial use of the symbol, and (c) to provide for use or royalty fees for the manufacture, reproduction, or use of the symbol for commercial purposes.

§ 25.0–3 *Authority.*

The Act of September 25, 1970 (84 Stat. 870) authorizes the Secretary of the Interior to establish and collect use or royalty fees for the manufacture, reproduction, or use of the "Johnny Horizon" name and symbol. The Act makes unauthorized manufacture, reproduction, and use a crime (18 U.S.C. 714). The Act also provides that royalty and use fees will be deposited in a special account and used for the purpose of furthering nationwide antilitter campaigns.

§ 25.0–5 *Definitions.*

As used in this part:

(a) The term "Johnny Horizon" means the name or characterization "Johnny Horizon" originated by the Bureau of Land Management, Department of the Interior, as the official symbol for a public service antilitter and environmental cleanup program, and as described in 18 U.S.C. 714, the representation of a tall, lean man, with strong facial features, who wears slacks and sport shirt buttoned to the collar (both green, when colored), no tie, a field jacket (red, when colored), boot-type shoes (brown, when colored) and who carries a backpack.

(b) "Director" means the Director of the Bureau of Land Management, or the person he delegates to act for him on matters pertaining to the "Johnny Horizon" program.

(c) "Johnny Horizon program" means those activities and supporting services conducted in furtherance of a public service antilitter and environmental cleanup campaign which uses the "Johnny Horizon" name or symbol.

§ 25.1 *Commercial use.*

(a) *Licenses.* The "Johnny Horizon" name or symbol may be used for commercial purposes only under a license issued pursuant to the regulations in this part. Licenses will be granted to any individual, business, or corporation if the Director determines that the proposed commercial use will promote the purposes of the "Johnny Horizon" program and will not impair the integrity of the name or symbol.

(b) *Terms and conditions.* In order to maintain the integrity of the "Johnny Horizon" program and to regulate the manufacture, importation, reproduction, and use of the "Johnny Horizon" name and symbol licenses will be subject, but not limited, to the following terms and conditions:

(1) Payment of fair return to the United States for its Property through negotiation of use or royalty fees.

(2) Licenses are nontransferable.

(3) All proposed products must be approved by the Director prior to manufacture, importation, or reproduction by the licensee. Substances inherently dangerous to users shall not be used.

(4) All licenses shall contain Equal Employment Opportunity provisions in compliance with Executive Order 11246, as amended (30 F.R. 12319 (1965)), and regulations issued pursuant thereto (41 CFR Chapter 60 and Part 17 of this chapter).

(5) Alteration of artwork must first be approved by the Director.

(6) Licenses shall be subject to revocation by the Director at any time he finds that (i) the use involved is injurious to the characterization of "Johnny Horizon," or (ii) there has been a violation of the terms and conditions of the license.

§ 25.2 *Noncommercial use.*

(a) *Permitted uses.* Products bearing the name or symbol of "Johnny Horizon," provided by the Government or acquired from licensed sources, may be used without a license or advance permission by any person or organization for the purpose of furthering antilitter and environmental cleanup

campaigns, provided that no charge is made by the unlicensed user for service or products.

(b) *Technical advice.* To the extent possible, technical advice will be given to interested parties upon request to the Director.

(c) *Cooperation.* The Director may enter into cooperative agreements with other Federal and State agencies for use of the name or symbol of "Johnny Horizon." Agreements shall state the responsibilities of each agency pertaining to (1) maintaining the integrity of the program, (2) supplying materials, (3) assisting other groups or organizations, (4) restrictions of uses of materials, (5) altering artwork, and (6) making arrangements with public personalities engaged in the program.

§ 25.3 *Contributions.*

The Director may accept contributions of money and personal property by any person or organization for use in the "Johnny Horizon" program.

§ 25.4 *Unauthorized use.*

Manufacture, importation, reproduction, or use of the "Johnny Horizon" name or symbol, except as provided for under these regulations, in this part is prohibited (18 U.S.C. 714).
